

# IN-PERSON CONCUSSION EDUCATION

## Working Together to Support Athletes and Students in Returning to Sport and School Post-Concussion

This will be an opportunity to connect with the concussion community in Ottawa and learn from the lived experience of a former **NHL player**, the concussion experts from **CHEO** and **360 Concussion Care**, and a key leader from the National Coaching Certification Program (**NCCP**).

Join us as we share important updates on concussion guidelines and work together to support the safe return to sport and school after a concussion!
